Hello,

Effective **April 1, 2015**, the pCODR office will be relocated to **154 University Avenue, Suite 300** in Toronto - just a few blocks north of our current location.

This move allows us to continue with our transition to CADTH, but maintains our central location in downtown Toronto.

As well, please note our new main telephone and fax numbers. Calls will be routed through the CADTH Main Office.

**Toll Free# 1-866-988-1444**  
Reception# (613) 226-2553  
Back Office# (613) 226-4969

**Fax# 1-866-662-1778**

You can still reach pCODR program staff directly using our current e-mail addresses.

We would like to sincerely thank the Canadian Partnership Against Cancer for providing us with office space since the pCODR program was established in 2010.
