CADTH | pCODR PAN-CANADIAN ONCOLOGY DRUG REVIEW

pERC Member – Oncologist

Craig Earle, MD, MSc, FRCPC

Dr. Craig Earle is a medical oncologist specializing in gastrointestinal cancers at Sunnybrook's Odette Cancer Centre, Program Director for Health Services Research and Clinical Trials at the Ontario Institute for Cancer Research, a Professor of Medicine at the University of Toronto, and a Senior Scientist at the Institute for Clinical Evaluative Sciences. He is currently Chair of the Ontario Steering Committee for Cancer Drug Programs and Co-Chairs the Ontario Cancer System Quality Index Project Leadership Team. His personal research interests focus on evaluating and improving the quality of care received by patients with advanced cancer and cancer survivors, the effect of financial incentives on care delivery, and making linked de-identified administrative data more available for health research.
